Skatīt visu Presentation of a box draw agent that can help you sign 300 championship players from all over the world! Now you have the option to take some international players to strengthen your team! Period04/01/2021 00:00 - 06/01/2021 23:59 (UTC)Note:*Player and club data is often synchronized with real-world football through real-time updates. Due to the frequency with which these changes occur, we recommend that you check the list of players available before using each agent.*Agents who have the same name as previously available agents may not necessarily be able to sign the same players.*All players in the Box are as likely to be obtained.*If you are disconnected while the player's signature animation is in play, then you still have one player based on the pre-set odds displayed in the game. You can check which players you signed from [Club House] > [My Team] > [Players].*Press the Reset button to restore the number of players in the Box to its default amount.*As long as you don't reset, you won't get duplicate players from this draw. However, you may get players identical to those you already own.*Your progress in this draw will not be returned to other box draws.*Updates to the app or changes to the live update can affect (including increase, decrease, add or delete) player data (player name, Overall Rating, appearance, location, statistics, skills, tactics, league, team emblem, nationality/region, etc.) of players you've already signed.*Player popularity is subject to change depending on whether they've been acquired before or after an update.*You can check the list of Available Players by pressing the magnifying glass icon at the bottom left of the panel Each agent's name.*League changes and licensing issues may result in players you have already signed in the game being unavailable.*Exact start and end times may be affected by retention.
